SIR

I have the honor to forward herewith copies of letter No: 978 dated 2nd April 1907 from the Inspector General of Police, Madras and my reply thereto No: 7174 Mis: 880 dated //th April 1907 regarding the interchange of Railway Police constables between Madras and Mysore.

The suggestion made by Mr. Fawcett, are in the main excellent, and I propose deputing an intelligent Sergeant for a week or fortnight at a time, to each of the important Railway junctions at Guntakal and Jalarpet, which are the main entrances into Mysore from the Madras Presidency.

As it would be inconvenient and cause unnecessary delay if the travelling allowance bills of these Sergeants were to be sent to Government for sanction every time, the stations referred to being situated beyond the limits of the State, I request that you will be so good as to Move Government to authorize the Comptroller as a special case to pass the bills on my countersignature.

Sir,

I have the honor to inform you that an interchange of Railway Police constables between Provinces has been suggested by the Deputy Inspector General of Police for Criminal Intelligence and Railways on the lines detailed below, and to enquire whether you are willing to adopt it experimentally and see whether it proves useful, for which a six months' trial would probably be sufficient.

2. The main object is to afford assistance to the Railway Police of the Foreign Province in picking out individuals of criminal classes coming from the Province of the constables interchanged and to place the Police on the alert concerning them.

3. The Deputy Inspector General is in favour of the constables deputed from this Presidency being changed every week to prevent staleness. This is a detail which of course you would decide according to your own views with regard to your own men. It would be necessary to have an understanding that the men deputed were for the purposes of discipline and duty placed entirely under the control of the administration to which deputed.

Sir,

Your letter No: R.C.978/General dated 2nd instant.

I have the honor to state that I am quite willing to meet Mr. Fawcett half way in the arrangement suggested by him and will address the Government of Mysore with a view to asking them to allow travelling allowance &c to the Police officers specially deputed on Railway work. I think however that as regards the Mysore Police, it would be better if I deputed an intelligent Sergeant for a week or fortnight at a time to the important Railway junctions at Guntakal and Jalarpet, which are the main entrances into Mysore by Railway from the Madras Presidency. The man so deputed will of course work under the orders of such officers as Mr. Fawcett may direct.

A man at Hindupur will not be of much use as the next Station- Dodkurugode - is in our jurisdiction.

Information gained by an intelligent officer at such Centres as Guntakal and Jalarpet would probably be most useful to us in this Province.

----------ooOoo---------

The Government observe that my scheme differs materially from that propounded by the Inspector General, Madras Police.

2. The differences are wholly with regard to detail, and are such that I am convinced the Inspector General of Police, Madras will raise no objection to them.

He states that "the main object is to afford assistance to the Railway Police of the Foreign Province in picking out criminals coming from the Province" and "to place his police on the alert concerning them."

I merely amplify this by replying "Information gained by an intelligent (Mysore) Officer would probably be most useful to us in this Province". What the Inspector General of Madras Police and

I

I also require is that we should exchange information, with regard to Mysore criminals leaving Mysore for Madras, or Madras criminals entering Mysore from Madras. Surely this can hardly be called a material difference in the two schemes.

3. Madras proposes a "Constable" being sent; I propose an intelligent "Sergeant". The Inspector General, Madras, proposes the man should be "changed once a week" and continues " this is a detail which you of course would decide according to your views." I suggest, to save railway fares and constant charges, "that they should be kept on for a fortnight or a month." Madras proposes Guntakal and Hindupur, I propose Guntakal and Jalarpet. These are the merest details and may I think be left to the two Inspectors General to settle.

4. As the whole aim and object of the scheme is interchange of constables or officers, the Inspector General, Madras, will send men to whatever station we may name.

5. I would beg to point out that it was within my competence to have deputed any men or officers I liked to this special work without reference to Government - but as the experiment was a new departure, which might be of interest to Government; and as I wished to save Government the trouble of passing the Travelling allowance bills - my letter under reference was written.

6. As regards the question (1) of free passes, I will address the Inspector General of Police, Madras - (2) as regards extra cost - this will be met out of ordinary Travelling allowance and halting allowance, allowed by the Mysore Civil Service Regulations - halting allowance for one man at Jalarpet, and one man at Guntakal.

From the remarks made in para 5 of your letter dated 6th May, it would appear that you have misunderstood the words "Trichinopoly Railway Police District". This includes all metre guage Railways which run "north of the Mysore State", and it may be presumed that Madras authorities will depute men from Bellary Karnool or Anantapur to be of assistance to us at Yesvantapur.

SIR

Reference:-

Government Proceedings No: J.468-9/Police 168-06-6 dated 9th August 1907 sanctioning the arrangement regarding interchange of Police officers between Madras and Mysore.

I have the honor to forward herewith copy of letter No: D.669 dated 12th September 1907 from the Inspector General of Police, Madras, stating that it would be difficult and expensive to obtain free passes for the Police officers deputed on special detective duty to Guntakal and Jalarpet.

I have for the present ordered the deputation of Head Constable Subbanna, of the Railway Police, Bangalore -Nanjangud Section, to Jalarpet for a fortnight as a tentative measure. If he does well, I shall then send him to Guntakal for a like period. His rail fare to these places will amount to only 5 or 6 rupees, and he will draw the usual travelling allowance.

I have the honor to be,
Sir,
Your most obedient servant,

F C Carr

Inspector General of Police.

To,

The Inspector General of Police in Mysore,

Sir,

With reference to your letter No.1280/Mis.166 dated 23rd August 1907, I have the honor to state that it would be difficult and expensive to obtain free passes for the Sergeants deputed by you for their journeys to and from Guntakal and Jalarpet. While employed in this Presidency they will be stationary.

2. The Deputy Inspector General of Police for Railways has on further consideration come to the conclusion that Banaglore Junction is a more advantageous station for a constable to be placed than Yeswantpur. A constable of the Trichinopoly Railway Police district has accordingly been ordered to be deputed there.
